- 1.1 Canadian National Institute of Business ('CNIB') upholds the principle that all applicants seeking to enrol are treated fairly and equitably. To ensure this, CNIB will have open, fair, clear and transparent procedures that are based on clearly defined entry criteria for making decisions about the admission of students. Students will be admitted on merit, based on the published criteria. CNIB will ensure that throughout the process of admission, applicants are treated courteously and expeditiously.

- 3.4 Student records must show that admission requirements have been met by each student, and have been applied consistently to all students.
- 3.5 Should CNIB wish to change the admission requirements listed with PTIB, you must first obtain PTIB's consent.
